

Max's Positive Vibe Café

Training Program Volunteers Needed!

The Positive Vibe Training Program needs volunteers to assist with class instruction and with internship supervisions. Our students are individuals with disabilities (or with *different abilities*) who receive training at no cost to themselves. We rely on our volunteers to ensure that we give each student the attention and support that they need to complete the program successfully.

Class volunteers will assist with class instruction, and internship volunteers will support the students as they apply the skills taught in class. Class hours are scheduled from 8:30 – 10:30 AM. Or 2:30 – 4:30 PM. Monday through Friday. Internships are scheduled for lunch 11:00 AM. – 1:30 PM. (12:00 – 2:30 PM. Saturday and Sunday) or dinner 5:00 – 7:00 PM. Tuesday through Sunday. All classes or internships are held at Max's Positive Vibe Café.

Volunteering at Max's Positive Vibe Café is a great opportunity to give back to your community and help those less fortunate than yourself. There is no minimum requirement for volunteering and even just one day means a lot to the students of the PVC training program.
